# Welcome

We are delighted that you are interested in finding out more about our life at St Paul's. As part of the Scottish Episcopal Church and Anglican Communion, we are very much a "gathered" congregation: St Paul's includes people from all over the world who are in Scotland for work or study, as well as others who have been a part of this city and community for many years.

We work hard at being welcoming and inclusive, constantly looking for ways to creatively show the love of God in our city and beyond. Our mission statement says:

*"We are a people on a journey, trusting in the unconditional love of God. We endeavour to work together so that each person may contribute their gifts towards the health and energy of this community. Inspired by the Life of Christ, we strive to make this Cathedral Church a place of comfort and challenge in the Heart of the city."*

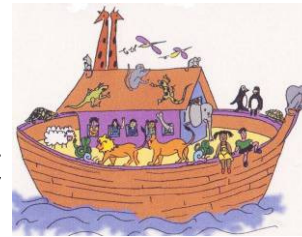

You are welcome to any of our services or other activities if you are living or visiting our city - we would love to meet you, and perhaps we could offer a safe place for you to continue your own journey of faith and discovery. If you are interested in finding out more about us, do talk to us and give us your contact information on the "keep in touch" sheets.

## Cathedral Life

As well as regular services of worship, Music and the Arts are very much a part of our life. We have a choir including choral scholars, as well as a regular programme of concerts and other events.

We operate The Ark Nursery, providing quality pre-school childcare facilities. We also have other educational opportunities for adults and young people as part of our programme.

The Cathedral is a "Fair Trade" congregation, and has connections with local, national and international organisations tackling poverty and promoting justice.

We also enjoy being together more informally, from refreshments after the services on Sundays to fund raising events, dinners, special occasions—and especially organising things on the spur of the moment!

[For more information about what happens at St Paul's, have a look at our website, or contact the Cathedral office.](#)
